

$\text{app}_{X,Y}$

The diagram illustrates the application of a function f to an argument x . A box labeled f is connected by a straight line to a box labeled $\text{app}_{X,Y}$. A curved line connects the right side of the $\text{app}_{X,Y}$ box to the right side of the f box, forming a loop. A vertical line extends upwards from the top of the $\text{app}_{X,Y}$ box.
